

Did you know that ITS members can join the European Respiratory Society for a reduced fee?

Membership with ERS offers a wide range of benefits.

- Society**

Join a dedicated assembly based on your interest areas within the largest scientific and clinical organisation in respiratory medicine in Europe.
- Publications**

Keep up to date with the latest science with online access to ERS publications, including the European Respiratory Journal.
- Events**

Share knowledge amongst respiratory healthcare colleagues world-wide at discounted ERS events, including the ERS International Congress.
- Education**

Further your professional development with online access to e-learning resources and discounted access to ERS courses.
- Science and Research**

Gain international recognition through ERS funding and fellowships, and EU project opportunities.
